

The Commissioners of Fire District No. 1

In the Township of South Brunswick

Executive Session

March 3, 2010

The Board went into Executive Session at 8:40 p.m. Mr. Rosenberg opened the session by stating that a Travel Policy must be established. It must detail how much can be spent on travel related costs, in order to control the spending. The Commissioners discussed possible options and allowable dollar amounts. The Commissioners decided to see how much the costs are for the next Fire Company trip and then re-visit this issue.

The next topic discussed was Fire Inspections and how to respond to the letter received from the Township Administrator. It was stated that inspection fees have been increased and approved by the Township Committee. A copy of the schedule and ordinance will be obtained.

Mr. Rosenberg stated that a response should be prepared and sent detailing the Board's desires and expectations. Mr. Behrend agreed with the idea, but stated the wording of the letter must be neutral and not confrontational. Mr. Tarnowski volunteered to write a draft of the response and e-mail it to all Commissioners, for their input.

As there were no further items to discuss, the Board came out of Executive Session at 9:04 p.m.
